Booking and Consent form (continued)

We plan occasional, very local outings from Little Loveders to give the children new experiences. We require your consent to take your child on such outings. We will advise you in advance of each outing so that you can have the opportunity to discuss any specific needs for that outing and to enable you to provide the necessary clothing and other possessions that your child may need for the outing.

Under the statutory requirements of the Early Years Foundation Stage, we are also required to obtain parental permission for emergency medical treatment for all children attending the school/clubs. We will always endeavour to contact you to advise you that such treatment is required.

Little Loveders takes photos of the children in all aspects of nursery life. Some of these are displayed for parents and children to see. We also use some for record keeping to show evidence of activities for OFSTED inspections, for our quality assurance work and for the children's Learning Journals, to assist staff under training and for promotional purposes. We will be using Baby's Days software to record selected milestones and activities for your child. Evidence of these will then be sent to you electronically on a weekly basis. Your child may be in a photo that is sent to another parent.

I confirm that I/we/.....

Am/are the parent(s)/legal Guardian(s) of..... and I/we give my/our consent for you

to take him/her to activities outside the premises of Little Loveders;

to take him/her, in an emergency, to a hospital or other medical facility where the doctors or other medically trained staff may administer whatever treatment they may judge to be correct;

to take and use photos of my/our child for the purposes specified above.

I give/do not give permission to take and use photos for the Loveders Nursery Social Media accounts and Website.
