Terms and conditions relating to fees

Please note that your acceptance of our terms and conditions include your **acceptance of the contents of our Policies and Procedures, the EYFS framework, our Booking and Consent Form, Introductory Leaflet and Schedule of Fees** as they may change from time to time. Copies are available at all times in the parents' information areas. A minimum of one month's notice of changes to our fee structure or terms and conditions will be given.

Freezone club care between 7.30 am and 9.00 am and between 4:30pm and 6pm is charged per half hour. There is a minimum charge of £10.15 3pm to 4:30pm to cover the cost of collecting your child. Costs of any outings are generally also covered by the fees. For outings where additional charges may be required, parents will be consulted in advance to determine whether they wish their child to be included. We issue Freezone invoices for fees for each month (in fact a four or five week period) at the end of that period. Payment (cash, internet payment, employer vouchers.) should be made by the due date shown on the invoice. We **require one month's notice of termination or permanent reduction** of a booked place. A fee of £10.15 will be charged for any out-of school club pickup cancellation and £3.30 for any breakfast club cancellation. For Holiday club £15.00 will be charged for any cancellations for which a month's notice has not been given. Late pick-ups after 6pm are charged at £15 per 15 minutes block, charged at the start of each 15 minute block.

Failure to pay by invoice due date shall be a **breach of contract** and may result in a child losing its place as a result. If we do not receive your internet banking, voucher or cash payment by this date, an administrative fee of £15 will be charged to cover the costs of chasing the payment. Should the fee not be paid after the first attempt to remind you, a further £15 fee will be charged for each and every phone call we make, or email or letter we send you. Payment of this shall not be a remedy for such a breach but is merely a method for us to recover the additional costs incurred in chasing late payment. Any invoice outstanding beyond the due date may be referred to our legal advisers. All legal fees incurred will be the responsibility of the customer and will be legally enforceable. If special payment terms are agreed that delay our receipt of payment the first £15 administrative charge will apply for each and every payment for which delayed payment occurs.
